SECTION 04: First aid measures

- 4.1 Description of first aid measures
- General information:
 - Seek immediate medical advice.
- After inhalation: Supply fresh air and to be sure call for a doctor.
- After skin contact:

| * | (continued of p If skin irritation continues, consult a doctor. Immediately wash with water and soap and rinse thoroughly. Immediately rinse with water. After eye contact: Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor. After swallowing: Seek immediate medical advice. Information for doctor: | page 2) |
| | 4.2 Most important symptoms and effects, both acute and delayed No further relevant information available. | |
| | 4.3 Indication of any immediate medical attention and special treatment needed No further relevant information available. | |
| SE | CTION 05: Firefighting measures | |
| | 5.1 Extinguishing media Suitable extinguishing agents: CO2, sand, extinguishing powder. Do not use water. Use fire extinguishing methods suitable to surrounding conditions. For safety reasons unsuitable extinguishing agents: Water with full jet | |
| * | 5.2 Special hazards arising from the substance or mixtureFormation of toxic gases is possible during heating or in case of fire.5.3 Advice for firefighters | |
| | Protective equipment: Do not inhale explosion gases or combustion gases. Additional information Cool endangered receptacles with water spray. | |
| SF | CTION 06: Accidental release measures | |
| * | 6.1 Personal precautions, protective equipment and emergency procedures Wear protective equipment. Keep unprotected persons away. Ensure adequate ventilation Keep away from ignition sources. | |
| | 6.2 Environmental precautions: Do not allow product to reach sewage system or any water course. | |
| * * * | 6.3 Methods and material for containment and cleaning up: Dispose contaminated material as waste according to item 13. Ensure adequate ventilation. | |
| | 6.4 Reference to other sections See Section 7 for information on safe handling. See Section 8 for information on personal protection equipment. See Section 13 for disposal information. | |
| SF | CTION 07: Handling and storage | |
| * * | 7.1 Precautions for safe handling Keep receptacles tightly sealed. Keep away from heat and direct sunlight. Ensure good ventilation/exhaustion at the workplace. Prevent formation of aerosols. Handle with care. Avoid jolting, friction and impact. | |

Handle with care. Avoid jolting, friction and impact.
Information about fire - and explosion protection: Keep ignition sources away - Do not smoke. Protect against electrostatic charges.

7.2 Conditions for safe storage, including any incompatibilities
